## California

### 2014 ZINFANDEL

*The Cambridge story begins with our founders, Bruce and Kim Cunningham who named the brand for their home, their heart, on Cambridge Street in their early years in California. The corner of Cambridge and Sunset is the cross roads to a new beginning and a new entrepreneurial ambition. Cambridge & Sunset wines are varietal-focused selections at a great value.*

#### REGION

---

---

Grapes for this wine were chosen from across California's Sacramento – San Joaquin Delta Region, mostly from the Lodi appellation. In these areas, warm days are followed by cool evening breezes – this weather pattern along with the sandy soils of the Delta provide the perfect growing conditions for Zinfandel.

#### WINEMAKING/VITICULTURE:

---

---

The 2014 harvest is known to be the earliest and third in a string of great vintages this decade. Significant rain in late February and early March relieved most of the stress and set up the vines for a vigorous start. Each lot of Zinfandel was treated with traditional viticultural techniques and careful blending to ensure each bottle is a unique expression of all that California has to offer.

#### TASTING NOTES:

---

---
