ROSÉ DE LÉOUBE

Côtes de Provence

“ Produced from organic grapes, this wine has a soft, ripe texture that gives it immediate appeal. It is rich with red-berry flavors and orange-peel acidity held together by the peppery texture. Drink now. “ - Roger Voss,

WINE ENTHUSIAST

“A certified-organic blend of Grenache, Cinsault, Syrah and Mourvèdre from estate-grown fruit, the 2019 Cotes de Provence Rose de Leoube hints at crushed stone and passion fruit, then settles down to deliver a savory mix of dried spices layered over melon and citrus. This medium-bodied wine shows remarkable complexity in its genre, with those spice notes recurring on the lingering, silky-textured finish.” Joe Czerwinski,

ROBERT PARKER WINE ADVOCATE
