## TASTING NOTES

*Domaine des Elephants is located in the Touraine area, in the heart of the Loire Valley. The full Southern exposure makes this 35ha estate very special, allowing the grapes to enjoy great ripeness, and the soil in these vineyards is especially rich in flint and clay. Everything is done to preserve all the aromatics of the fruit. The harvest is done at night, and the fermentation is done at cool temperatures. The result is a beautiful Sauvignon Blanc, upfront and round, with lots of minerality. This is an exuberant wine, displaying notes of white peach and white flowers, and showing great length.*
