Unfiltered, for keeping the natural balance of the fruit. Sediments are expected, not affecting the quality of this wine.

## Analytics

Alcohol by vol	14.4%
Total acidity (gr/100 ml)	5.36
Residual sugar (g/l)	2.14
pH	3.50

Tasting notes

Brilliant deep ruby color with dark purple edges; you can notice the influence of both terroirs at first sight.

Heady aromas of violets, potting soil and very ripe red fruits like strawberry, pomegranate and raspberry. The touch of oak is apparent by the subtle notes of sweet vanilla and cocoa powder that become more apparent on the palate. The wine is well balanced with noticeable but soft tannins that graze your palate and carry on through the finish. An amazing vintage for a great wine made with Organic Grapes.
