The power and finesse of a great wine! Her dress is soft and silky. Black fruit, blackcurrant, blackberry, cherry, and roasted notes is expressed fully and in length.

HISTORY

It was the Popes who, when they settled in Avignon in the 14th century, revealed the terroir of Châteauneuf-du-Pape. Covered with a sea of blond rolled pebbles, the Châteauneuf du Pape vineyard offers a unique and timeless face. Hot, dry, arid and windy, the Châteauneuvois climate has a Mediterranean influence. The vineyard is in the driest sector of the Côtes du Rhône.
