JOHN FAMILY
RIESLING
2015

COUNTRY OF ORIGIN

Germany

APPELLATION

Palatine

VARIETALS

Riesling

VINIFICATION

The grapes for our Riesling grow only on Buntsandstein soils which are typical for this wine-growing area of the Palatine region. The roots of the vines penetrate this soil type deeply and thus influence the mineral aroma of our Riesling. Short maceration, long pressing and spontaneous fermentation processes in 1200 l and 2400 l barrels, partly with whole grapes, create Riesling wines full of character and great aging potential. The quality of our wines is enhanced by the one year aging process stays on the full lees until natural clarification.

TASTING NOTES

Full-bodied, very pure and clear on the palate, this very intense, concentrated, rich and juicy Riesling is very firm and piquant with lots of grip and tension.
