The winery

BODEGAS DEL PALACIO DE FEFIÑANES

The Palace of Fefiñanes has been inextricably linked with wine since the 17th century, and it was in the early 20th century that the winery was established as a commercial company. In 1928, the Albariño de Fefiñanes brand and label were created and a truly pioneering project was begun. The unique Albariño grape variety, grown in the Salnés valley, has always taken centre stage in our wines. We have devoted the utmost care and attention to this variety, ensuring that its special character, extraordinary varietal expression and its uniqueness are perfectly preserved.
