## 2019 Russian River Pinot Noir

*Sebastopol Hills Russian River Valley Pinot noir* is grown on the western fringe of this world-renowned appellation. Warm days, cool evenings and foggy mornings allow the grapes long hang-times and produce exceptional wines.

This nuanced Pinot noir displays generous aromas of red cherry, vanilla and leather. Layered flavors of cranberry, cola, sweet tobacco and orange peel counterpoint a well-integrated acidity and subtle, nutty tannins.

Drinking great now, we recommend pairing with roast chicken, wild mushrooms or seared wild salmon.
