

SEBASTOPOL OAKS

2017 Alexander Valley Cabernet Sauvignon

A product of this renowned appellation's Mediterranean climate and gravelly soils, this impeccable Alexander Valley cab displays deep aromas of raspberry, cocoa and rose petal, with hints of plum.

On the palate this complex, medium-bodied wine offers a rich mouthfeel and interwoven flavors of bright blackberry, clove, leather and caramel oak, from its many months spent aging in premium French oak barrels.

The long finish features gentle tannins and mixed spice notes mingling with a hint of sweet tobacco.

We recommend pairing this structured Cab with seared tuna, herb-encrusted roast lamb or smooth semi-sweet chocolate.
